

Extra-Curricular Activities - Messy Nessies, Sports Pathway Coaching and Bambino Beats

Look out for an e-mail with some information on the above classes that we would like to introduce to the nursery. If you are interested in sending your child, please speak to a member of staff for further information.

Lower garden

We are continuing to make improvements to our nursery garden. Watch out for our colourful trugs, butterflies and painting stations being added. If you have any plastic bowls, wooden spoons, baking trays or plastic plates and cups we would welcome any donations

Top Garden

We have a delivery date of Thursday 21st for our 60 tonne of soil from the new Portobello High School site. It has taken a little longer due to our lovely Scottish weather but we are keeping everything crossed for this week. Once the soil is in place and at a safe level we will be encouraging our children to join us in stamping the soil down. Appropriate clothing and footwear will be required for your child to participate.

Contact details forms

This is a final reminder for all parents to return your contact details forms. As previously stated this is a legal requirement for parents to complete and return to the nursery. If you have misplaced your form, a replacement can be obtained from Margaret, by emailing margaret@almondparknursery.com.

Holiday dates

We would be most grateful if you could notify room staff or Margaret of any planned holidays you may have coming up over the next few months, as this allows us to plan accordingly.

Appropriate Clothing

Can all parents and carers please provide appropriate outdoor clothing for your child. The nicer weather is finally arriving so we would like to see lots of named sunhats being brought in for every child. Children who are not dressed appropriately will not be allowed to participate in our outdoor play opportunities.

We hope you find this interesting and please do speak with a member of staff if you would like further details or if you would like to comment or make suggestions for future topics.
