

Harvest

We are collecting non-perishable food items for our harvest box. We are hoping if all children donated one item we will be able to deliver a very healthy food parcel to the East Lothian food bank. Can we ask for all donations to be in with us by Monday 12th October.

Care Inspectorate

The final version of the Care Inspectorates inspection report is now available on-line. We will display a copy of the report in the nursery alongside our improvement plan on how we intend to action any recommendations from the report. Suggestions from parents are most welcome you can either speak to a staff member or e-mail myself directly.

Another New Face joins our Team

We would like to introduce you to another new staff member. Leasa Howie will be joining us on the 20th October working in the Buttercup room as a nursery practitioner. She is looking forward to meeting you and becoming an important part of your child's life at nursery.

Name Labels

Can we please remind all parents the importance of labelling all your child's belongings with their name. This should include coats and footwear. As the summer is unfortunately coming to a close, parents are now asked to provide wet weather gear for their child including a waterproof jacket or all-in-one and wellies. Please provide these in a drawstring bag.
